The Water is Wide

G C G G

The water is wide, and I can't cross over

Em C Am D

And neither have I the wings to fly

Bm C Em C

Give me a boat that will carry two

Am D G

And both shall row, my love and I

I leaned my back, up against an oak

I thought it was a trusty tree

But first it bent, and then it broke

And so my love proved false to me

Oh love is handsome, and love is fine

Love is a jewel when first it's new

But love grows old and waxes cold

And fades away like morning dew

There is a ship and she sails the sea

She's loaded deep, as deep can be

But not as deep as the love I'm in

I know not if I sink or swim

(Repeat 1st verse)

Paradise Chords by John Prine

D G D
 When I was a child my family would travel
 D A D
 Down to Western Kentucky where my parents were born
 D G D
 And there's a backwards old town that's often remembered
 D A D
 So many times that my memories are worn.

chorus
 D G D
 And daddy won't you take me back to Muhlenberg County
 D A D
 Down by the Green River where Paradise lay
 D G D
 Well, I'm sorry my son, but you're too late in asking
 D A D
 Mister Peabody's coal train has hauled it away

D G D
 Well sometimes we'd travel right down the Green River
 D A D
 To the abandoned old prison down by Adrie Hill
 D G D
 Where the air smelled like snakes and we'd shoot with our pistols
 D A D
 But empty pop bottles was all we would kill.

[Chorus]

D G D
 Then the coal company came with the world's largest shovel
 D A D
 And they tortured the timber and stripped all the land
 D G D
 Well, they dug for their coal 'til the land was forsaken
 D A D
 Then they wrote it all down as the progress of man.

[Chorus]

D G D
 When I die let my ashes float down the Green River
 D A D
 Let my soul roll on up to the Rochester dam
 D G D
 I'll be halfway to Heaven with Paradise waiting
 D A D
 Just five miles away from wherever I am.

I'll show you how I'm feeling Lord any day
I'll shake these bones and shout and sing my life away
I'll shake these bones and I will shout and sing my life away
It won't be long before these bones turn to clay

I'll tell you what I'm thinking Lord anytime
I'll tell you lies I'll tell you dreams you won't mind
I'll tell you lies I'll tell you dreams
I know that you won't mind
There's something there that's out of reach I will find

I'll tell you what I'm seeing Lord everywhere
It may be only a small part of what is there
It may be only a small part of what is really there
But I'll stumble like the blind man Lord with out fear

I'll tell you what I'm hearing Lord all the time
I'm hearing songs and melodies in my mind
I'm hearing songs and melodies but when they're out of mind
I'll hear the sweetest peace of all left behind

I'll show you how I'm living Lord every day
I may not fall down on my knees and start to pray
I may not fall down on my knees and worship you or pray
But there's reverence in my latter Lord anyway

I'll show you who I'm loving Lord in the night
And when the door is open Lord and filled with light
And when the door is open Lord and filled with the morning light
We'll hear the child that calls for us out of sight

I'll show you who I'm loving Lord in the day
And to my fellow people Lord these words I'll say
And to all my fellow people Lord these loving words I'll say
And I'll shake these bones and shout and sing my life away

Slack Jaw - Sylvan Esso

[Verse 1]

I've got all the parts I've wished for
I've got everything I need
Sometimes I'm above water
But mostly I'm at sea

[Chorus]

Oh, slack jawed me
Can't you see?
There's so many rhythms and harmonies
And I'm walking the dog back

[Verse 2]

It's not like I got hurt or broken
Or ruined on the way
It's an ache and it shines through me
A swallow in a cage

[Chorus]

[Bridge]

Is it a sign?
Or just a landmine?
Or a feeling roaming free?
It's overtaken me
Gonna hold it 'til it dries up
Or pocket it for another day
If it's me, I cannot give up
I'd rather that she stayed

[Chorus]

[Verse 3]

I've got all the parts I've wished for
I've got everything I need
Sometimes I'm above water
But mostly I'm at sea
